66 Country Club Drive, Monroe, NJ 08831

## Monroe Residents, Please Support *Pitch for the Cure* and Help Strike Out Prostate Cancer

It's a hard fact to ignore, but prostate cancer is the second-leading cause of cancer death in American men 65+, behind only lung cancer, and has affected many of our family, friends, and neighbors in Monroe Township.

To help raise money to fight this disease, the **112 players** in the **Monroe Senior Softball League** are asking you to sponsor **Pitch for the Cure**, our charity game being played on August 22, 2024, in partnership with **FANS for the CURE**.

Whether it's educating patients and their families, providing physician referrals, or offering free screenings, FANS for the CURE, headed by Sirius/XM national sports broadcaster and baseball guru Ed Randall after his own diagnosis, is committed to providing a team of trusted friends and doctors for men and their loved ones as they face the challenges of prostate cancer.
