Cost and Benefits of Sponsorship

- The cost to sponsor a team is only \$700.00 (Same as 2023)
- Sponsorship includes providing your team with shirts, bats, balls, and other equipment.
- You'll join a group of local businesses that include the Ray Catena Auto Group, The Pickled Herring, David's Lawn & Landscape Design, Princeton Orthopedic Associates (our newest sponsor), and more.
- Your business name and logo graphics will appear on your team's shirts.

- Increase awareness of your business on our website – **monroeseniorsoftball.com** – where we acknowledge each sponsor for site visitors (log on and check us out).
- Participation in our opening day ceremonies; last year we were able to have News12 New Jersey cover the event.
- An invitation to attend our end-of-season event. Last year over 300 people came out for our Pitch for P.I.N.K. charity game, played under the lights, that raised over \$13,000 for breast cancer research and awareness.
- The potential for incremental business from our 120+ players, their families, and friends of the league.

Please ask us about additional advertising opportunities, such as displaying a promotional banner for your business at our fields, where more Monroe residents will see it.

We'd love to have you join the Monroe Senior Softball League family. Should you have any questions, please contact league commissioner Bobby Harris at robertharris44@gmail.com

Thank You.
